- 27.05.19 – 31.05.19 May Half Term

Red Noses will be on sale from

Monday 4th March 2019

£1.25 each

Dear Parents and Carers,

Thank you for so much for your support this half term - it has simply flown by.

The children are very excited about taking part in our new **'Rainbow Readers Scheme'**. Pupils will earn stickers and rewards for the number of books they read outside of school, so please make sure you encourage this over half term and help the pupils earn their rewards by signing off the books that they have read in their planners.

Take a look at the Netherbrook website for ideas of half term play schemes and events taking place (often for free) across Dudley this half term. Libraries are also free and a great place to visit for a relaxing family read!

When we return on Monday 25th February it will be a very busy term. Year 6 will be starting their SATs countdown, there will be a lot of football matches and after school clubs, there will be lots of trips and visitors into school taking place, Comic Relief, Class Assemblies, World Book Week (with a dress up day on Friday 8th March), Parents Evening on 21st March, Science Week (and 'Mad Scientist' dress up day) in April and of course the annual KS2 Easter Egg decorating competition before we break up for the Easter holidays. Lots to look forward to!

Can I please remind parents to avoid smoking around the entrances to the school (even on the footpath outside the gates) as we have a number of children with allergies and chest conditions which are made worse by inhaling cigarette smoke.

I hope that everyone has a relaxing and refreshing half term break and we will see you all back again soon on Monday 25th February at 8.45am. ☺
