Dear Parents/Carers,

Thank you to all those parents who came along to Parents Evening last night, as usual it was lovely evening and great to see so many of you. If you haven't had chance to attend then please make an appointment with your child's teacher to discuss their progress. We are happy to arrange this after school next week. Mrs Woodward's Parents Evening will be Wednesday 18th April—this will follow the same times that have already been booked. Thank you for your patience and support.

Hopefully you have found the new app service useful. We will be using this option for all future Parents Evenings.

As we are now an academy we have had two internal academy inspections in the last month. One was on Safeguarding and Child Protection and the other was for general standards. Both have come back with excellent results and we are really pleased.

Next week is the final week of the spring term and we will be hosting the annual Early Years Easter Bonnet Parade and our Easter Service on Thursday. Please note that we break up on Thursday 29th March for Easter NOT the Friday.

We will be judging the KS2 Decorate an Egg competition on Wednesday afternoon next week so please make sure any entries are sent into school before 12.00pm on Wednesday 28th March.

Can I please remind all parents that once children have been dismissed by staff at the end of the day, they become your responsibility. Please do not allow your children to unsafely use school equipment or act in an unruly manner when they are in your care. Please remember that the large climbing frame in KS2 is off limits to pupils unless supervised by school staff.

An Eggciting KS2 Competition

It's nearly Easter again and it's an **eggstra** special time of year, I thought it would be **eggciting** to once again have a Key Stage 2 'Decorate an Egg' Competition for **Years 3, 4, 5 and 6**.

The challenge:

- Get an egg
- Boil it until it's hard
- Decorate it in an **eggcellent** style.
- Bring it in to school between **Monday 19th and Tuesday 27th March** (no earlier please as the eggs start to smell!)
- Win an **eggstravagant** prize.

All entries should have been decorated mostly by the children.

The eggs must be either blown or very hard boiled.

Each entry should have a title and the child's name and class on it somewhere.

They should be brought into school when completed and will be displayed near the main entrance until the judges **eggree** and choose the winning entries.

All pupils that take part in the competition will receive a small prize in recognition of their **eggpressive** creativity.

There will also be a first, second and third place prize and four **eggstra** honourable mentions.

Below are a few examples that I have found on the internet. If you want further ideas check out our school website to see previous year's entries.

I am **eggcited** and looking forward to seeing the **eggpressive** and **eggcellent** ideas that KS2 have to offer!!!!

Well done everyone that has taken part in Sport Relief this week!!

Children have taken part in Mini Olympic events to raise money for charities in the UK and abroad. Sponsor money total to be announced shortly.

Thank you to Mrs Barfoot and Mr Hanson for organising the weeks activities.

Fantastic news...
Magical Maths is coming to Netherbrook Primary School!!

Magical maths is a super fun after school club designed to boost children's confidence and better engage them with maths.

The clubs run for an hour a week after school week beginning **Monday 23rd April 2018** and will run for 5 weeks. Each week has a different theme and includes a dressed up character including Professor Poopenshtinken (maths genius), the Mathemagician, Stately Holmes (the maths detective) and the Olympic Mathletes!

Parents receive weekly email updates to see what their child has been learning (but you must give your email address to obtain this).
