Children under 16 are eligible to swim free at Dudley Leisure Centre, Halesowen Leisure Centre and Crystal Leisure Centre starting Saturday 21<sup>st</sup> July until Sunday 2<sup>nd</sup> September 2019.

Parents will need to log on and register their children.

*Swimming is a great way to get children active, keep them healthy and have fun!*

School Life

<https://netherbrook.sch.life/>

Dear Parents and Carers,

It was a pleasure to see so many of you at **Parents Evening** last night. Hopefully all of you that attended found the meetings useful and have been given some good targets for you to help your child with at home. It is really important for our pupils that learning continues away from school, so please continue to do all that you can to support your child with reading and their homework.

It is our Early Years **Mother's Day Assembly** on Friday 29<sup>th</sup> March. There will be two assemblies for RH and Nursery am pupils at 11.00am and again for RKW and Nursery pm pupils at 2.00pm. Bring a hanky and we look forward to seeing all of the moms and nans and any other significant ladies in the lives of our EYFS pupils that would like to attend.

I'm pleased to announce the launch of this year's **Decorate an Easter Egg competition for Years 3-6**. Please see the separate letter for details of this and I hope you enjoy working on them as a family. Everyone who enters gets a prize with 1<sup>st</sup>, 2<sup>nd</sup> 3<sup>rd</sup> place main prizes to win alongside 4 'honourable mentions'. EGGCITING! All entries should be sent into school by Thursday 11<sup>th</sup> April and the winners will be announced in our Easter Assembly on Friday 12<sup>th</sup> April.

Year 6 parents – please do all you can over the next month to help your child revise and practise for their **SATs exams** in May. These examinations are carried out nationally and are used by secondary schools to place children in sets and groups. They are also used to predict their GCSE results! It is not the end of the world if a child doesn't do as well as expected on the tests but it is important to take them seriously and for all pupils to try their hardest in order to have the best chance to demonstrate their abilities.

There is a **Year 6 SATs briefing** for parents on Tuesday 2<sup>nd</sup> April in Class 6M, the session starts at 3.30pm and finishes at approximately 4.00pm. All Year 6 parents should attend if possible.

It is **Science Week** at Netherbrook from Monday 8<sup>th</sup> April, with a 'Mad Scientist' Dress Up Day on Thursday 11<sup>th</sup> April. Please try to help your child dress up in a creative and funny scientist costume. Pupils who do not wish to participate in dressing up should come to school in their uniform as normal – IT IS NOT just a mufti day.
