Headteacher's Message

Dear Parents/Carers,
Tuesday 2nd January 2018 is an INSET Day in school. The focus of the day will be to bring members of the school community together to create a new set of Values and Vision statement for the school. Currently our strap line is '**Achieving Together – Creating our Future**'. It would be great if a small group of parents were available to attend the day with staff and Governors to help us create a new set of values for our school to aim for. If you are interested in attending please speak to the school office or myself, the more the merrier – A buffet lunch will also be provided. ☺

Today, the 'Year at Netherbrook' diary dates leaflet has been uploaded to the school life app and website. This should give you all the information you need to be able to plan for events in school this year. Please note that events such as Class Assemblies, Inspire sessions and workshops are subject to each year group and are not therefore on the diary dates leaflet. We will endeavour to give you as much notice about events in school throughout the year.

I have had to speak to several pupils about playing on the Key Stage 2 playground climbing frame after school. Can I please remind parents that this equipment **SHOULD NOT** be used by any children before or after school. It is only to be used in school time under the supervision of school staff.

Can I also ask parents dropping off and collecting children from outside the Lower School classrooms to not let children play with resources in the outdoor classroom outside Year 1. Staff are repeatedly having to tidy this area up twice daily, when morning lessons start and again after school has finished. We are hoping to improve this resource this year to make it more useable. Thank you for your support.

Thank you for your patience regarding the new Nursery building project. I am pleased to say that our builders - AMG are currently on track to complete the building works in January as planned. If you are interested in a Time for Twos place or 30 Hour Nursery places then please speak to myself, Mrs Marshall in Early Years or speak to the school office.

It is the **Belbroughton Scarecrow Festival** this weekend, so if you get a chance why not go along for a family day out. There will be various stalls and events taking place all weekend, much of which is free. See you there!
