Dear Parents and Carers,

The parent transition meetings begin next week with 'New to Year 5' on Monday 8th July straight after school and will run all week and into the week after, so please see the diary dates for your child's meeting.

Tuesday next week sees the return of our SATs test results for our Year 6 pupils. These results will be shared with pupils and parents on Friday when the school reports are sent home. Fingers crossed.

The big KS2 production is finally here so please come along and support the children. Tickets are on sale now and the events are normally a sell out so make sure that you don't miss out. The ticket fees go towards the purchase of the performance licenses and scripts as well as costumes and props, so thank you for your support with this.

Following on from the school reports being sent home, we will be having our Open Evening on Monday 15th July from 3.30pm – 5.30pm. So if you would like to discuss your child's report or have a final look at their books and chat with their teacher then please pop in. Appointments are not necessary.

Just as a reminder – we are saying goodbye to several members of staff this year so please pop in to say goodbye if you would like to. They are: Mrs Wilkes, Mrs Fellows, Mr Reeve, Mrs Brookes in Nethertots and Mrs Morgan in Year 3. Once again I'd like to thank them all for their hard work and effort over their time with us. Miss Marsden will also be finishing her trainee teaching placement in 5C next week so thank you and good luck to her for the rest of her career in teaching.

I will send a letter home with the reports that clarifies what our teaching structure looks like next year as there are some significant changes that parents will need to be aware of.

Good luck to the football team in the cup final on Tuesday. Let's hope for good weather this time! Have a great weekend.
