Dear Parents/Carers,

Thank you so much for your support with last week's Macmillan Coffee Afternoon. We raised an amazing **£747.40** during our mufti day and afternoon event. The money will go to an excellent charity doing an important job.

This week, during assembly we talked about the **'Harvest Festival'**. As part of our commitment to helping others I have asked the children if everyone can bring in an item to donate to a local food bank. Last year we donated a fantastic amount of food for local families that need extra support and it would be great if we can do this again. If you would like to donate any tinned food, dried food such as rice, pasta, cereals etc or any other long life products then this would be very much appreciated. Please send these into school with your child. Please make sure all food is unopened and in date. We will donate the food over half term so there is plenty of time to gather in the donations.

We have now chosen our new **Junior Leadership Team** – this includes Head Boy and Head Girl, Prefects, House Captains, School Council, Monitors and Anti Bullying Ambassadors. The aim is for these children to help improve the school by listening to their peers in class and feeding back to the school leadership team. We take the views of our pupils very seriously and have a firm commitment to increase their involvement in school improvement.

It has been an excellent first month back, the children's attitude and behaviour has been fantastic. I have spent some time on the playgrounds recently with pupils from Sledmere Primary, to see what is happening and I (and they) have been amazed at the variety of games and activities taking place every day. The lunchtime team do an excellent job of ensuring the children's safety and enjoyment. So a big well done and thank you to them.

If you haven't already, please click on the **LLMAT** link on our school website and take a look. It is also available at www.learninglinkmat.org.

THANK YOU!
