REMINDER

Tuesday 5th November Pupil and Sibling Photographs.

Photographs will be taken over one day following the same process as last year.

- Every child will have an individual photograph taken.
- All brothers and sisters in school/nursery will have their photograph taken together.
- Family portraits (for older or younger children that do not attend Netherbrook) will be available before and after school. 8.15am-8.40am and 3.15pm-4.45pm. No appointment will be needed. Please enter through the main entrance.

If you do not wish to have your child's photograph taken, please let the office know.

Dear Parents and Carers,

It was lovely to see and chat to so many of you last night at Parents' Evening. I hope that you found the discussions useful. Please try to help your child to work on their targets throughout the year, as this will really help them make better progress. If you were unable to attend, teachers will be happy to organise an appointment after school when we return after half term, please speak to your child's teacher or the school office to arrange this.

I'd like to thank our School Governors who were in attendance last night, they were speaking to many parents about how we can improve as a school, your thoughts and comments were very much appreciated. They will take your feedback and create a plan for us to review and implement over the rest of this year.

Well done to Year 3 and 4 who participated in the Dodgeball competition at The Link this week, their behaviour and conduct were excellent and one of our teams reached the semi finals. Most importantly, everyone enjoyed it. I also had the pleasure of accompanying Year 3 to the Safari Park this week, the children were soooo excited and had a wonderful day. Hopefully this will be something they remember for a long time.

On page two of this week's newsletter is our attendance information for each class and the whole school for this term so far. Can I please remind parents that every day really does count. No holidays should be taken in term time and if you do choose to do this – please complete a leave of absence request from from the office. Children should only be kept off school if they are too poorly to attend or are contagious. Please ensure pupils are brought in ASAP if they are well enough.

Have a great half term break. We will see you again at 8.45am on Monday 4th November. Please have a look at the Netherbrook website for information about what is happening across the Black Country over half term – many events are free. We will also send out the information via the app today so you have it to hand.

See you all soon ☺
