Dear Parents,

Just a few notes this week to keep you informed.

We have taken the decision to close and lock the gate between Early Years and Key Stage 2 before and after school. This is for health and safety reasons. I apologise for any inconvenience and delay that this may cause in dropping off and collecting children. Please make sure that you allow a few minutes extra time to drop off and collect, so that children are not late. Can I also remind parents once again, that the behaviour and conduct of your child is your responsibility before 8.45am and after they have been released to you at the end of the day. It is not acceptable for children to be playing on any school equipment during these unsupervised times.

Well done to Year 4 who represented the school brilliantly at Faith City this week. They went to Sledmere Primary School and took part in a great session learning about a variety of different faiths. Their behaviour was excellent and they really enjoyed this experience.

Parents' Evening is fast approaching so please make sure that you have downloaded the 'SchoolLife' App so that you can book a parents evening slot. You can then simply book a time slot for you to meet with your child/children's class teacher(s) to suit your own preference. This was very popular with parents last year when we trialled it. Please stop in to the school office if you need help to download or set up the app. Mrs Davies will be happy to help.

We have had a lot of sickness bugs in school this week. We have deep cleaned the classrooms and corridors as best we can but please help us by making sure your child knows how to wash their hands properly after using the toilet and if they are poorly that you keep them off for 48 hours following the last bout of sickness.

Don't Forget parents evening!

Thursday 25<sup>th</sup> October  
4pm – 8.30pm

Remember to book your meeting with the teacher via the SchoolLife App. Please contact the office if you have forgotten your log in details.
