Headteacher's Message

Dear Parents,

We are now building up to a very busy festive season. Please remember that the **Upper School Production** will be at Christmas this year NOT in the summer. The Lower School pupils will perform in July instead. This is a trial and we will take some feedback on what parents feel works the best in due course.

Can I please remind parents that you are responsible for the **conduct and behaviour of your children** (those attending Netherbrook and those that don't) before and after school. Please do not allow any children to play on the KS2 climbing frame, disturb resources in the Early Years playground or the outdoor classroom outside the Year 1 classes.

The new **exercise equipment** for both playgrounds has been ordered and should be installed in the next few weeks.

As you have probably seen the new **Time for Twos and Extra Time for 3s and 4s Nursery** building is progressing rapidly. If you would like your child to attend our new Nursery centre then please contact the school and we will help you complete the online application form. Remember in many cases both of these facilities are free, however, parents who aren't eligible for the free funded places can pay if you would still like to use the services offered. This centre will be open in January.

We are now an Academy and part of the **Learning Link Multi Academy Trust**. You won't notice any particular changes in school but we feel we now have a lot more options available to us to better educate our pupils.

If you would like to take part in our new **Vision and Values Day** on 2nd January please let me know. It would be great if we could have at least 10 parents to contribute your ideas about what Netherbrook's values should be.

This weekend is '**Bonfire Night**' so please be very careful and ensure that your children follow the firework code but also have lots of fun. ☺
