Well Done

We raised an amazing
£777.22 for MacMillan,
thank you to everyone that
donated and sent in cakes.

Old £1 coins will not be accepted
at Netherbrook Primary after
Tuesday 10th October.

Headteacher's Message

As you already know, Netherbrook's application to become a Multi Academy Trust with Dudley Wood, Kates Hill and Sledmere Primary Schools has been accepted by the DfE. The intended date of conversion is **Wednesday 1st November** and we are confident that this date will be confirmed by the DfE next week. To ensure that our parents and carers are fully informed we will be holding a consultation session for parents next Thursday 12th October. The session will take the form of a drop in question and answer session in the hall between 2.30pm and 4.00pm. Both Paul Harrison the new MAT Chief Executive Officer and I will be on hand to take any questions and ensure parents have all the information they need.

The new organisation that Netherbrook will be part of will be called the **Learning Link Multi Academy Trust (LLMAT)**. Attached to this newsletter is a set of frequently asked questions about schools converting to become academies. Please read it carefully and if you have any other questions please come along to the drop in session next week. If you can't make the session but have some questions please come and chat to me at the end of the day or arrange an appointment with the school office.

We are very excited about this new chapter in Netherbrook's story and we are looking forward to improving standards still further for our pupils and providing them with even more excellent resources and facilities.

I hope you have been able to read the letter regarding the MUGA that was sent out electronically yesterday, as I have said we are still working with all parties to find a good solution to this issue.

Once again, if you haven't downloaded the School Life parents app then you may be missing out on important school information, it is available on both Apple and Android devices so please make sure you have it to ensure you don't miss any important information.

Well done to 6M for their class assembly on Tuesday, it was excellent. 6G is next.

Emergency Contact Details

We have recently written to all parents/carers requesting that you update your contact details.

Thank you to those that have already done this.

If you haven't had chance please update the form and send it in ASAP. If your child is injured or we need to contact you urgently it is VITAL that someone answers the phone.

If it can't be you due to work commitments etc. please list someone else in your emergency contacts who will be available whilst your child is at school.
