Odd Socks Day for Anti-Bullying.

Friday 22nd June staff and children came to school wearing odd socks to show how we may all be different but we are all equal, and that we should celebrate this.

Dear Parents and Carers,

The last two weeks have been very busy in school. We are very happy to announce that we have been awarded the **RIGHTS RESPECTING SCHOOLS SILVER AWARD**. This award recognises the hard work that the school has been doing to raise our pupils' awareness of their Human Rights—in particular the rights they have through the United Nations Convention on the Rights of the Child (UNCRC). Our pupils are becoming quite skilled at explaining what their rights are and they know that they cannot be taken away. Have a look at the second page of this newsletter to see what they are. Well done to Mrs Wilkes who led the project here at Netherbrook.

In other news, a huge well done must go out to Rhys Young in Year 6. Rhys has recently participated in the WUFK (World Union of Karate-Do Federations) World Championships in Scotland. We are exceptionally proud to say that Rhys was declared **World Champion** in the Team Kata. He also achieved an incredible 3rd place in the Team and Individual Kumite (fighting) events. Making a member of our Netherbrook team one of the best in the world at Karate! On behalf of everyone at Netherbrook we would like to say really well done Rhys—his dedication and determination to do well has taken 6 years to get him to this level. Awesome!!!

Year 6 are away at the end of next week on their Residential Trip to Kingswood. I hope they all have an amazing time. I'll be coming to spend the day with them on Thursday to do the Zip wire!!

Can I please ask all parents to check at home for any school library books. Mrs Avery has done a check and currently we have over 130 books missing from the library. We may write to individual parents and ask for these books to be replaced as school budgets are extremely tight and we do not have the funds anymore to replace books that are lost or destroyed.

I have had a number of complaints from parents about pupils not being carefully supervised on the playgrounds before and after school. This week two children have been injured playing on equipment in the playgrounds. Can I **PLEASE** remind parents that children are not to use the climbing frames or playground equipment when not supervised by staff. If children are injured when in the care of their parents the school accepts no liability or responsibility for this—this would rest with parents.

Thanks to everyone who participated in our 'Odd Sock' day to celebrate our differences and show how we are all different, but all equal!
