

Wednesday 17<sup>th</sup> October 2018

Dear Parents and Carers,

Thank you to those of you who were able to attend the My Plan Parents meeting last week, which explained how we will be targeting and supporting children who may require additional support in school. The feedback from the meeting was extremely positive and parents were able to share valuable questions and queries.

A learning pathway will be in place for all children who are currently on our Special Educational Needs (SEN) register in the form of either a 'My Plan' or 'My Plan+.' These learning pathways are designed to support your child's needs, outline the support that will be put in place in school (and at home) and also outline the progress which the school expects your child to make.

Your child will be bringing home a 'My Learning Pathway' information leaflet which explains the whole pathway in more detail. Please feel free to chat with your child's class teacher if you have any further questions. I am also available at Parents Evening next week, where you are welcome to drop in and chat with me about any concerns or questions which you may have.

Many Thanks,

Mrs K. Fellows

Inclusion Leader
