Dear Parents and Carers,

As you no doubt know, next week is **KS1 and KS2 SATs**. This is an important time for the children in Year 6 and Year 2 so if you have a child in these year groups please do your utmost to ensure that they have a good night's rest and come to school on time and in a good frame of mind every day next week to complete their tests. Please note KS1 tests form a part of the overall teacher assessment for pupils and the tests are not reported on in isolation.

There is a special **SATs Breakfast Club in the hall for Year 6 pupils** only. This is free to pupils in Year 6 and begins at 8.00am. We highly recommend that children attend this club as it makes sure that they are ready and raring to go. If you have chance to support your child with any extra revision and practise this weekend then that would be great.

No matter the end results, I am very proud of the hard work and determination that Year 6 in particular have shown over the last few months. They have thrown themselves at the challenges given to them and been excellent role models for our other pupils. As long as you all do your best then nobody can ask for anymore. **GOOD LUCK ☺**

Just a reminder that if you have children of Nursery age or even two year olds we do have **spaces available in Nethertots** for September. If you, or someone you know may need Nursery care next year then please give Mrs Homer or Mrs Marshall a ring or simply stop into the Nethertots office for a chat.

Don't forget that the school will be closed for voting in european elections on Thursday 23rd May and we break up for the Whitsun Half term break on Friday 24th May. It has been a very short half term!

Please have a close look at the diary dates listed in this newsletter and add them to your diaries. There are quite a few important events coming up and they will come round quickly!

Have a great weekend.
