Dear Parents and Carers,

I can't believe how fast this term has gone. It has simply flown by! We have had some great moments over the last few months. Many of which are mentioned on pages 2 and 3 of this newsletter.

This week I had the privilege of taking our latest set of **Behaviour Champions** out for their reward. They did rock climbing, abseiling, low ropes, high ropes and zip wire! They flung themselves into the activities and I couldn't have been prouder of their attitude and determination.

Can I remind parents that we return to school on **Monday 16th April at 8.45am**. Pupils may wear the summer uniform of a polo shirt if they wish. Please ensure that the pupils have the correct uniform and return to school with a freshly washed PE kit.

In the summer term we have the Lower **School Performance** to look forward to, as well as the Year 6 residential, lots of trips and visitors, The Fifa World Cup Focus Week and the dreaded SATs tests in Year 2 and Year 6 and the Phonics Screening Tests in Year 1. So if you can find some time over Easter to do some extra work with your child, it could really make the difference. It would also be great if parents could make sure that all pupils read their school or library books for at least 20 minutes every day.

The Year 6 **Easter School** begins on Tuesday 3rd April and runs for the rest of that week. Please make sure that your Year 6 children attend if possible.

Our **school attendance** has slipped below 95% this term for the first time in memory. Please make sure that your child attends school every day, as every day really does count and thank you to those parents whose children have excellent attendance records.

Come on Reception—you can do better !!!

I would like to wish everyone a happy and peaceful Easter break. We look forward to seeing you all again soon for the 'sunny' summer term.! :-)
